Mission Statement

Health Outreach is a non-profit charitable organization dedicated to providing health services including public health, to impoverished people in remote areas of developing countries with the goal of enhancing lives

Charitable Registration Number:
861752889RR0001

HEALTH OUTREACH

is a group of health care providers and volunteers dedicated to overseas charity projects. Our work responds to people around the world in need of healthcare... care that can be easily provided when given the opportunity.

The organization is a non-profit and non-denominational international health organization based in Toronto, Canada.

OUR ORGANIZATIONAL GOALS

- To promote and further medical, dental and allied health care to those in need, particularly children, in remote areas of developing countries
- To disseminate information and knowledge to health care providers about the need for their skills in developing countries
- To encourage the development of sound ethical and professional health care practices in all elements that may or will affect children and adults in developing countries
- To raise the level of public awareness with respect to the need for health care to children and adults in developing countries, particularly in remote areas
- To instill the feeling of hope and positivity in isolated communities

VOLUNTEERING

Dental Teams

Health Outreach sends dental/medical teams to Guatemala in January of every year. Our current sponsor community is Monterrico located on the west coast of Guatemala. A tour of duty is 10 days to 2 weeks. In addition to practicing, visiting caregivers are required to prepare an instructional seminar on their area of expertise, local community members or health personnel. Some working knowledge of the Spanish language is expected before traveling to the country. Accommodations are usually modest, comfortable and inexpensive.

Local Volunteers

Health Outreach also provides local volunteer opportunities on an on-going basis.

Often someone will hear about our work and be motivated to donate his or her time. Volunteers help with the mailings, perform desktop publishing, photograph our work, and oversee special events. Together, our volunteers have a diversity of skills and contribute accordingly.

HOW YOU CAN GET INVOLVED

Time

- Approach people who may have medical/dental equipment to donate
- Check and repair medical equipment
- Ship supplies and equipment internationally
- Provide storage and on site distribution of donated items
- Provide transportation of supplies
- Set up programs and events to expand and promote Health Outreach

Seeking Material Donations

- Hospitals, Physician offices
- Medical suppliers, Pharmaceutical companies
- Retirement Donations
- Retail Stores
- Corporate Donations
- Private Donors
- Financial Gifts
